

CERTIFICATE NO. PM-V1-2026

AB TALKS · 60-DAY CLAUDE AI CHALLENGE

Certificate of Completion

10-Day Capstone Sprint

THIS CERTIFIES THAT

Shagla Amri

has successfully completed the AB Talks 10-Day Capstone Sprint, part of the 60-Day Claude AI Challenge, by designing, building, testing, and shipping a production-ready application:

PaperMind — AI Document Assistant, Version 1.0.0

an AI-powered PDF summarization and grounded question-answering tool, built with React, FastAPI, and the Gemini API, and deployed live to production — completing the full software development lifecycle from requirements through launch. This project was developed with Claude (free tier) as an AI pair programmer and technical mentor throughout the sprint.
